Principal's Report

Principal Report

I would like to wish Year 12 all the best for the Higher School Certificate and their future endeavours as they complete their final week of Year 12. We are very proud of each of our Year 12 Students who have demonstrated enthusiasm, commitment and collaboration during their time at Concord High School.

Year 11 examinations

The Year 11 students are in the process of completing their yearly examinations and I wish them well for the remainder of the examination period.

Year 12 Graduation

Will be held on Thursday 27th September in the school hall. Refreshments will be served from 5.30 pm with the official start at 6.00 pm. I encourage the families of Year 12 students to attend this important school event.

Developing leadership capacity of staff

This week a group of fifteen teachers from Concord High School and Strathfield South High School came together to engage in the first of a series of collaborative workshops focused on developing leadership capacity. The program is a pilot program titled Aspiring Head Teacher program developed by Mr Simon Paterson and myself to develop the leadership capacity of staff at both schools and to provide participants with a thorough understanding of the Head Teacher position.

“There is a growing body of evidence that school leadership has an impact on student outcomes second only to the influence of teachers in the classroom”. Curriculum and Leadership Journal.

It was wonderful to see that there were so many staff that were interested in developing their capacity as leaders which will further positively impact on student outcomes.

Year 7 Gala Day

This week students from Year 7 had the wonderful opportunity to engage in a range of sport activities with other schools. During the day students developed their team work skills whilst working collaboratively and having a lot of fun. I am very appreciative of Mr Bilbija and the PDHPE faculty who organized this highly successful event.

Year 9 Café

Last week teachers were invited to attend a café by the Year 9 Food Technology students who have been busy planning and creating their own café. The service was outstanding and the food was superb. A great effort by the Year 9 students and the TAS teachers who supported them.

Interested Year 10 students and families are also welcome to attend.

Year 11 at risk of not completing the Preliminary course

Mr Anderson will be contacting families during the examination period if the student is in imminent danger of not meeting the preliminary course requirements. Students must satisfy 12 units to be able to complete the preliminary HSC. If they have not satisfactorily completed 12 preliminary HSC units they may not start the HSC course.

Year 10 Careers

It was with great pleasure that I was asked to judge a Year 10 careers lesson during the week. The students had to dress a team member ready for a job interview out of newspaper. There was a great sense of team work and fun in discussing an important component of being work ready.

Last Friday, we had the Formal Assemblies for Years 7,8,9 and 10. Our Formal Assemblies are a time to showcase student achievement and talent. I would like to congratulate all those who either received an award or performed on the day. Awards were given out for academic, sporting, extra curricular and performing arts achievement. To perform on stage in front of 2 year levels can be such a daunting task and I applaud those who put their hand up to do this.

Thank you to the Year Advisers, Assistant Year Advisers and students who put the assemblies together. A big thank you to Ms Leung and her tech crew who always help out.

Literacy Week- Spelling Competition 2018

In order to celebrate National Literacy Week at Concord High School, the English faculty organised and conducted a whole-school spelling competition that included all students in our junior English classes from Years 7-10.

It all began with a simple spelling test in each classroom and culminated in a spectacular event that featured all of our class champions in an intense Spelling Final to decide four Year Champions and an eventual overall winner.

In front of a packed audience in the school's Theatrette, our class champions spelt out a number of challenging words using only a small whiteboard and a marker. After a tight competition between some fantastic spellers, we eventually ended up with our winner. Congratulations to **Bella Pietrobon (Year 9)** for her outstanding achievement in becoming the 2018 Concord High School Spelling Champion. Congratulations to all of those who were involved and...keep on spelling! And a special thanks to Mr White for his efforts in organising the competition.

15's Knockout Netball Competition

In week 8 the 15s Knockout Netball team competed against Terrigal at Cintra Netball courts, Concord.

Concord High School started strong, having their highest point score in the first quarter. Our two amazing shooters Zoe Thompson and Brooke Smith worked hard in the circle however the defensive work by Terrigal proved too strong as Concord found it difficult to maintain possession within their attacking third.

At half time Terrigal pushed ahead, however this time Concord's defence – Bailey Belanger, Ayla Ali, Ilse Knottenbelt, Paula De La Vara and Keira Will proved solid, forcing held balls and turnovers against the Terrigal girls.

Defenders Sophie Gors and Pina Buda proved effective on the rebounds and intercepts as Terrigals' attack began to lose their strong lead and Concord worked hard to improve on their score in the second half.

The final quarter saw our shooters Jayde Newman and Zoe Thompson come out strong when opportunities came their way.

With a few minutes to go in the game Concord worked hard to try to force turnovers and bring the ball down to their shooters, however Terrigal stayed in front to win the game.

Congratulations to the following girls for all their hard work and effort during training sessions and in the game!

Paula De La Vara, Zoe Thompson, Brooke Smith, Jayde Newman, Ilse Knottenbelt, Ayla Ali, Bailey Belanger, Sophie Gors, Pina Buda and Keira Will.

DE International Schools Program Annual Conference for School Teams

On August 15th the International Student Coordinating team attended the annual Department of Education (International) conference in Surry Hills. The conference is an opportunity for the team to meet other coordinators and liaisons, ensure program compliance through individualised support from the staff at DE International and to keep up to date with any changes in legislation that effects international students.

In attendance were Ms Merchant (Head Teacher), Ms Finlayson (International Student Coordinator), Ms Tolhurst (EAL/D support), Ms Park (International Student Liaison/Korean interpreter) and Ms Fu (International Student Liaison/Mandarin interpreter).

Ms Finlayson was invited to join a panel of teachers to present a session titled 'Best Practices.' This session outlined the way Concord High School implements the International Student program and demonstrated the outstanding work Ms Finlayson has done as International Student Coordinator. Within two years she developed the program into one that is used as a state exemplar and has provided students with a wealth of advice, compassion and support. Ms Finlayson has broadened the scope of activities offered to international students at Concord High School and her hard work is reflected in the academic, leadership and social achievements of these students.

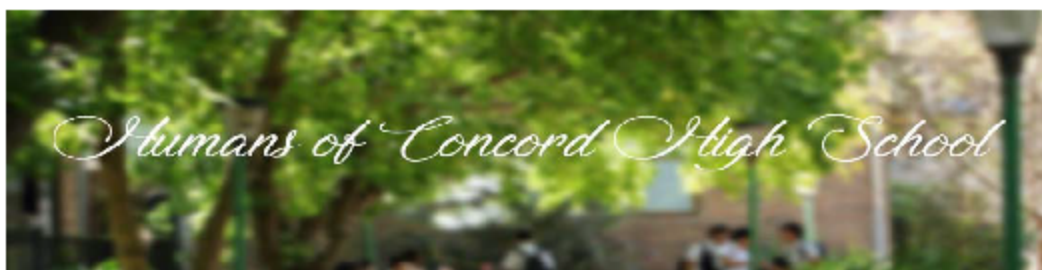

It is with regret that the team must farewell Ms Finlayson, who is taking a position at Sydney Girls High School from term 4, 2018. We wish her every success in this new phase of her career and offer her our deepest thanks and appreciation.

To ensure a smooth transition and to continue offering the high level of support for international students at Concord High School, Ms Tolhurst will take on the role of International Student Coordinator from the beginning of term 4.

Year advisor, teacher, mentor and friend. The 2018 Year 12 cohort were fortunate enough to have had someone who wore all these labels with pride; Ms Taing.

Many teachers enjoy the opportunity of undertaking the responsibility and role of Year Advisor whereby they create memorable experiences and relationships with students, spanning over their entire High School career.

An English teacher that attained this opportunity is Ms Taing. Being responsible for an entire year group was not a simple task, however, many positive moments were created which made the role worthwhile. Through this experience, Ms Taing reveals her feelings for the graduating 2018 cohort.

"Sometimes, as teachers, we are often so caught up with the academic element of ensuring that all syllabus requirements are met, that we can sometimes forget that students are more than just people who occupy seats. Through this fortunate role of being a year adviser, I have been able to forge positive relationships with the students in my cohort to ensure that their interests and wellbeing are being looked

after as best as possible. It gives me an opportunity to better understand their background."

Ms Taing has also shared certain memories and has described the development of students' personalities in addition to her own journey.

"I distinctly remember meeting a majority of you in Year 6 at events such as Holiday Madness, Mock High School Day and during the primary school visits. You were enthusiastic about high school and asked many questions. I saw an innocent and angelic side to the year group. Year 7 camp exposed a cheekier side to your personalities and I knew that we would have a lot of fun together over the next six years. Now that we have almost reached the end of your high school journey; you have proven me right. It has truly been an amazing experience to be your year adviser. I have witnessed how much you have all grown from young teenagers to young adults. It has been a rewarding and emotional journey. When you all graduate, I will definitely feel a sense of loss because six years of my life has been dedicated to caring and nurturing you all."

Alongside all the responsibilities and roles teachers are accountable for, it can be challenging to devote excessive time to guide a complete year group from Year 7 to Year 12. We would like to take this opportunity to thank you for your commitment, inspiration and devotion to us for the last six years.

From the 2018 Year 12 cohort, thanks for being OUR Year advisor.

Concord High School Before and After School Sports (BASS) Program Let's Get Physical! – Term 4, 2018

Dear Parent / Guardian,

The **Before and After School Sports (BASS) Program** is continuing to offer a variety of activities before and after school. Students will have the opportunity to further their interest and develop skills in many sporting activities. These activities will be conducted by specialist coaches who aim to improve the skill levels of each student. The focus of this program is **skill development** as well as fun, fitness and friendship! All skill levels from beginner to advanced will be catered for.

There is also a new course running this term. A 2D Animation course will be offered where you can learn the skills to start making your own animations on industry standard software. We'll play with photo style, South Park style and whatever may take your fancy. Digital FX, sound editing, funny scripts - we get to do it all. You'll be uploading your ideas to YouTube in no time! No previous skills needed - come and have some digital fun.

**** Please note: This term is an 8 week Sports Coaching Program**

**** All activities in the coaching program will commence in Week 1 of Term 4, 2018** (week commencing 15th October 2018)

Each activity has a minimum and maximum number of students. This is designed to ensure small group sizes, optimum individual attention and cost effectiveness.

The supervising coach will take every care of the group. However, your child has some responsibilities and obligations associated with the coaching session, and we assume that your permission also involves an undertaking by your child to act responsibly. Of particular importance:-

- Students must obey the directions of any teacher/supervisor without delay or question
- Students must remain within the area/s designated by supervising staff
- Students must not leave the group to undertake independent activities

Please see over a permission note for your child to sign up for the **8 week program** in the sport of their choice. Please join the Edmodo group online to receive updates, information and/or changes that may take place during the term. Payment of the full term fee should be returned with the permission note to the side office as soon as possible in order to secure a placement. The P&C have kindly donated some money, offering sponsorship to a select number of students who wish to participate in the program, but are unable to due to financial difficulties.
