# Year 8 News

Ms Madison Smith - Year 8 Advisor, Science Faculty

Our Year 8 cohort has transitioned nicely from the middle school model in Year 7 into the mainstream population this year. They have begun their electives and are starting to create some exciting pieces of work.

Our International studies students have been busy creating country profiles, outlining culture, history, customs and tradition, whilst our Japanese students are mastering Hiragana.

## Concord High School After School Tutoring Term 1, 2021

Dear Parents and Carers,

Concord High School offers a After School Tutoring program on a term by term basis. Dates for Term 1 are from Monday Week 7 (8<sup>th</sup> of March) to Tuesday Week 10 (30<sup>th</sup> of March).

These tutoring sessions take place on a Monday, Tuesday or Wednesday afternoon at two intervals: 3-4 pm or 4-5 pm in the Library at Concord High School.

The program offers either private or small group tuition (in pairs or groups of three) for English, Maths, and Science. Our tutors specifically focus on providing feedback for lesson content, homework, class assessments, and general academic focused support to each student.

*Note: This program is highly limited due to the availability of tutors at this time. All times and options will be discussed before final placements are confirmed.*

Parents and carers are also reminded that students are expected to come to the session with work prepared as our program DOES NOT require the tutors to create content for these sessions.

The pricing/cost of the tutoring sessions are as follows:

- Private Tuition (Tutor: 1 student) \$42 per 1-hour session
- Paired Tuition (Tutor: 2 students) \$32 per 1-hour session
- Shared Tuition (Tutor: 3 students) \$27 per 1-hour session [Shared sessions are limited due to the availability and requirements of the individual students for the subject areas chosen]
